Home Energy and Water Saving Toolkit

This toolkit contains no-cost devices that will help you easily reduce energy and water use, saving you money on your utility bills. You get to keep:

- **Compact fluorescent light bulbs**
Save energy compared to incandescent light bulbs

- **Outlet gaskets**
Seal the void around your outlets and prevent heat loss

- **Weatherstripping**
Keeps out cold drafts by sealing leaky windows and doors

- **Low-flow showerhead/faucet aerators**
Help water flow more efficiently and gently reduces the water you use

Check out the Toolkit just like a library book. Good for you, your wallet, and the planet.

Pacific Gas and
Electric Company®

As a part of the State's energy efficiency portfolio funded by California utility customers, San Mateo Energy Watch (SMCEW) exists to help residents, businesses, and public agencies throughout San Mateo County save energy easily and cheaply. This program is funded by California utility customers and administered by PG&E under the auspices of the California Public Utilities Commission.
