Late Pick-up and/or Early Drop-off Fee

A fee of $1 per minute applies for all late pick-up and/or early drop-offs to camp. The fee is calculated after the first five minutes and will also include those five minutes at $1 per minute. Failure to pay the fee and/or frequent late pick-up or early drop-offs may jeopardize your child's enrollment in our camps.

Pick-up I.D. Policy

The City of San Mateo adheres to an Identification Policy that requires photo identification of the adult picking up a child/children. The photo identification must match a name you listed on your child's emergency form. Please be patient with us; this process is in place to ensure the safety of all children in our program. As we learn your names, we may be able to verify your identity visually without requesting I.D. If someone new will be picking up your child/children, remind them to bring their I.D. along for verification.

ePACT Emergency Forms

When you register, you will be sent a link to ePACT where you will create an account and complete your family's required emergency forms. Forms must be completed at least one week prior to start of camp.

Recreation Fee Assistance Program

The Recreation Fee Assistance Program is designed to allow access to our programs for all residents. For city residents with financial hardships, assistance is available to help offset the costs of camps. Qualifying applicants are currently eligible for either 30% or 60% fee waivers depending upon their reported income. A current application, accompanied by required income documentation (noted on the application), is needed for program enrollment. Interested city residents are encouraged to complete the Recreation Fee Assistance Enrollment Application which is available at all community centers and City Hall. It can also be downloaded at www.cityofsanmateo.org/1430/Activity-Guide. Applications must be submitted at least 10 business days before registration.

Americans with Disabilities Act

The City of San Mateo does not discriminate on the basis of disability in its programs, services, activities and employment practices. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact (650) 522-7400 or parksandrecreation@cityofsanmateo.org as soon as possible, but no later than 10 business days before the activity or program.
