Annual Military Equipment Report for Calendar Year 2025

Equipment Category	Description	Summary of how equipment was used and purpose of use	Summary of complaints received	Result of any internal audits or violations of military equipment use policy	Acquisition Costs Per	Annual Costs	Funding source for following calendar year	Quantity Possessed of each type of equipment	If we intend to acquire additional military equipment in the next year, the quantity sought
Unmanned Aircraft System (UAS)	Matrice M30	UAS/Drones and robots were utilized to enhance the Department's mission of protecting lives and property when other means and resources are not available or less effective. Uses included search and rescue; suspect apprehension; crime scene documentation; tactical operations; scene security; hazard monitoring, identification and mitigation; response to emergency calls; crisis communications; and legally authorized surveillance.	None	We assess and monitor after any deployment or use of equipment to ensure the equipment is being utlized in a manner which is consistent with Department Policy and there were no violations.	$15,000	Varies. Ranges from $1000-$2500	operating budget	1	The Police Department Intends to retire 3 devices and acquire 4 devices during the next year.
	DJ Mavik M3T/M2 Enterprise				$6,500		operating budget	6	
	Skydio X10				$22,000		operating budget	5	
	Sky Hero Loki MkII				$10,000		operating budget	2	
	DJI Mavic Mini				$1,200		operating budget	4	
	DJI Avata				$1,200		operating budget	5	
	DJI Neo				400		operating budget	1	
Robots	Transcend Robotics	Robots were utilized to remotely gain visual/audio intelligence, deliver equipment, open doors, and clear buildings ahead of a search team, for official law enforcement purposes, including search and rescue; suspect apprehension; tactical operations; scene security; hazard monitoring, identification and mitigation; response to emergency calls; crisis communications; and legally authorized surveillance.	None		$20,000	Varies depending on need for replacement parts or repairs.	operating budget	2	N/A
	iRobot packbot 510				0		N/A	1	N/A
	Recon robotics recon scout				0		N/A	1	N/A
Armored Vehicles	International Armor Group Sentinel	The purpose of the armored vehicle is to provide for the safe transport, security, and rescue of agency personnel and citizens in high-risk incidents, and the equipment was used in this manner, for law enforcement purposes.	None		0	$1500 in annual maintenance	N/A	1	N/A
Command and Control Vehicles	Braun Northwest mobile command vehicle	The equipment was utilized as a mobile command post during any incident that required command and control beyond a static dispatch center and inlcuded official law enforcement purposes, pre-planned events and training exercies.	None		0	$5,000 in annual maintenance	N/A	1	N/A
	Ford motor vehicle F53 motorhome command post				$100,000		operating budget	1	N/A
Rifles	Daniel Defense DDM4 V7	The purpose of the equipment is to address a threat with more precision and/or greater distances than a handgun, if present and feasible, and this is the manner in which it was deployed, including training.	None		$2,000	Annual maintenance is $25/rifle. Ammunition costs are typically $50,000/year	operating budget	36	N/A
	Daniel Defense personal defense weapon (PDW) 300 Blk				$2,000		operating budget	14	N/A
	Whindham weaponry AR15				$1,800		operating budget	14	N/A
	Georgia Precision AR10				$2,500		operating budget	3	N/A
	SPEER GOLD DOT .223 CALIBER 62 GRAIN RIFLE ROUND				$260/case of 500		operating budget	400 cases	N/A
	FEDERAL 9MM LUGER GRAIN HST DUTY AMMUNITION				$9,600		operating budget	8000 rounds	N/A
	Hornady 300, blackout 110 grain GMX				$25,000		operating budget	12000 rounds	N/A
	Hornady 308, 168 grain AMAX				$2,000		operating budget	1000 rounds	N/A
Distraction Devices	COMBINED TACTICAL SYSTEMS, 7290-2 FLASH-BANG	Distraction devices were deployed to distract dangerous suspects to allow tactical teams to complete a dangerous mission or task. Distraction devices were only used during high-risk situations where their use would enhance officer safety; and during training exercies.	None		$52	Varies depending on use	operating budget	20	N/A
	COMBINED TACTICAL SYSTEMS, 7290M MINI FLASH-BANG				$38		operating budget	20	N/A
Explosive Breaching Tools	DETONATING CORD	The purpose of the equipment is to safely create a positive breach and enter structures for offical law enforcement purposes and in accordance with State and Federal Law; and during training exercies. This equipment was not used last year.	None		$1/ft	Annual maintenance and training costs range from $1000-$5000	operating budget	0 Feet	N/A
	BLASTING CAP				$12		operating budget	0	N/A
	REMINGTON 870 BREACHING SHOTGUN				$500		operating budget	5	N/A
	DEFENSE TECHNOLOGY FRANGILBE BREACHING ROUND				$5/round		operating budget	50	N/A
Chemical Agents	CTS 7290M	The purpose of the equipment is to limit the escalation of conflict where employment of lethal force is prohibited or undesirable such as self-destructive, dangerous, and/or combative individuals; barricaded suspects; riot/crowd control and civil unrest incidents; and training exercises.	None		$35/ea	Varies depending on use in the field, ranging from $1500-$2500 per year	operating budget	20	N/A
	CTS 5230				$30/ea		operating budget	20	N/A
	CTS 6330 and 6340				$25/ea		operating budget	12	N/A
	CTS 5230B				$35/ea		operating budget	10	N/A
	CTS 8210				$25/ea		operating budget	10	N/A
Long Range Acoustical Device	Long Range Acoustical Device (LRAD)	The purpose of the equipment is to issue dispersal orders during crowd and riot control situations or to address the public in civil emergencies, natural disasters, evacuations, and police incidents. In the last year, the equipment was deployed to give direction duirng high-risk situations.	None		$0	N/A	N/A	1	N/A
CTS Launching cup:	COMBINED SYSTEMS LC5 40MM LAUNCHING CUP	The purpose of the equipment is to limit the escalation of conflict where employment of lethal force is prohibited or undesirable such as self-destructive, dangerous, and/or combative individuals; barricaded suspects; riot/crowd control and civil unrest incidents; and training exercises. This equipment was not used last year.	None		$302/ea	N/A	operating budget	2	N/A
40mm Launchers and Rounds	PENN ARMS 40mm launcher	The purpose of the equipment is to limit the escalation of conflict where employment of lethal force is prohibited or undesirable such as self-destructive, dangerous, and/or combative individuals; barricaded suspects; riot/crowd control and civil unrest incidents; and training exercises. This equipment was not used last year.	None		$1000/ea	Annual costs range from $5,000-$20,000 depending on use.	operating budget	26	
	Pepperball launcher				$1200/ea		operating budget	4	
	4330 – Liquid CS projectile						operating budget	20	
	4431 – CS powder filled projectiles						operating budget	20	
	4340 – Liquid OC filled projectiles						operating budget	20	
	Less lethal foam-tipped projectiles						operating budget	100	N/A
