Four years ago, you elected me as your full-time District 1 Councilmember to ensure your views, needs, and priorities are reflected in all City decision-making. Together, we've fought successfully for our neighborhood character, and the core services you told me you wanted: keeping our streets, parks, infrastructure, and public facilities safe, clean, and well-maintained; protecting our 911, fire and paramedic services; and improving traffic, bicyclist, and pedestrian safety.

Now, San Mateo's residents and local businesses are experiencing challenging economic times that threaten our community's well-being. I ask for your vote to continue our work to ensure San Mateo's stability and quality of life for future generations, including: 1) ensuring growth limits that maintain our unique community character; 2) providing affordable workforce housing; 3) protecting our gorgeous open spaces; 4) improving traffic safety, reducing traffic congestion, and continuing to prioritize 911 services.

I'm honored to be endorsed by Senator Josh Becker, Assemblymember Diane Papan, San Mateo's Police Officers Association and Firefighters IAFF 2400 for my leadership. I continue to represent San Mateo's interests on regional boards such as the City/County Association of Governments.
