Section 1: INTRODUCTION

Thank you for your interest in holding a special event in the City of San Mateo!

The information included in this guide will help clarify the special event application process and any additional permits, fees, and licenses that may be required. Please read in full before completing the Special Community Event Permit Application.

To ease the review and approval process for your permit, the City has created a Special Community Events Committee which includes representatives from the City Manager's Office, Police, Fire, Parks and Recreation, Public Works and Community Development departments. This one stop review process provides applicants with comments and explanation on how to best facilitate their event. The Committee meets monthly and first time applicants and/or returning applicants for high impact events may be required to attend.

The goal of this guide is to provide you, the applicant, with the needed assistance to ensure that your event runs smoothly and the participants, spectators and neighbors alike enjoy a safe and pleasurable experience.

The detailed Special Community Events Ordinance is in [Section 17.34](#) of the San Mateo City Charter (http://qcode.us/codes/sanmateo/view.php?topic=17-17_34&frames=off).

For more information, please visit the City Hall Public Works Counter, email publicworks@cityofsanmateo.org or call 650-522-7300.

Section 2. GETTING STARTED

Does My Event Require a Permit?

A Special Community Event Permit will be required for any event impacting City services or involving use of or impact on public property, public facilities, sidewalks, or street areas. This includes City parks, streets, sidewalks, City buildings, public parking lots, or other City facilities. In addition, an event on private property that may impact neighborhood parking, noise, safety, is not consistent with zoning, or not subject to any other permit, may also require a Special Community Event permit.

Examples of special events that require this permit but are not limited to: craft fairs, festivals, ceremonies, foot races, bicycle events, carnivals, food trucks events, and farmers' markets.

If you still are unsure if your event requires a Special Community Event Permit, please visit the City Hall Public Works Counter, email publicworks@cityofsanmateo.org or call 650-522-7300.

Special Events Committee

The City has created a Special Community Events Committee which includes representatives from the City Manager's Office, Police, Fire, Parks and Recreation, Public Works and Community Developments Departments. The Special Events Committee meets monthly to review permit applications.

Application Process

Applications can be submitted up to a year in advance but must be submitted **no later than 90 days before a new event or 45 days in advance for a previously held and approved event.**

The permit application begins when the Event Organizer submits a completed **Special Community Event Permit Application (Attachment 1)** and the Non-Refundable Permit Fee (see Section 4). Please keep in mind that acceptance of your application does not mean the event has been or will be approved.

Your completed application must be submitted to the Public Works Counter at San Mateo City Hall in person or by mail (Submission Information is outlined in Section 10).

Delays in providing documents often delay the Committee's ability to finish the review and approval of your application in a timely manner.

Once your application is submitted, you will be contacted by a representative of the Special Events Committee for any additional information or to schedule your meeting with the Committee if this is a first time event. During the initial application screening process, you will be allowed time to provide all other pending documents (e.g. Liability Insurance, County Health Permits, ABC license, Business License, or deposits).

Section 3. TYPE OF EVENT & APPLICATION FEES

Events are classified as low impact or high impact. A "low impact" event means any event other than a high impact event. A "high impact" event means a special event meeting two or more of the following criteria:

1. Being held for the first time;
2. Expected to draw more than 500 participants;
3. Held on a recurring basis;
4. Requiring the support of 2 or more City departments;
5. Following a route with a different start and finish;
6. Requiring a street closure; or
7. Requiring interagency coordination.

Examples of high impact events include but are not limited to foot races, street fairs, or carnivals.

New applicants may be required to attend a Special Events Committee meeting to discuss the application. Depending upon the complexity of the event, additional information may be required. Some events, such as recurring low impact events, may be approved administratively.

Permit Application Fees for 2016-17:

Application fees are due at the time your application is submitted. The application fee is nonrefundable and will vary on the size and type of event.

TYPE OF EVENT	APPLICATION FEE	
	Non-profit	Commercial or for profit
No admission fee, open to general public and not for fundraising. ¹	No Fee	n/a
Low Impact events ²	\$100	\$500
High Impact events ³	\$230	\$1,000

¹For events open to the general public, sponsored by a non-profit organization that are not for fundraising purposes, where no registration or admission fee is charged, no donations or contributions are solicited or where no money exchanges hands.

² Low impact event means any event other than a high impact event.

³High impact event criteria listed in Section 3.

Section 4. FEES FOR CITY SERVICES

Besides the application permit fee in Section 3, there are other costs to be aware of when hosting a special event. Depending on the nature of the special event, costs for city services such as Police, Fire, Public Works, etc. that are needed to directly support the event will be billed to the applicant. Events held in parks may also be charged a facility use charge.

Applicable fees may include some of the following:

- Overtime rates for City Personnel not regularly on duty who are required to work the event.
- Fair market value charges for utilization of City equipment and/or vehicles used in support of the event.
- Actual costs for consumable supplies, e.g. parking meter signs, garbage bags, etc., used in support of the event.
- Actual cost for specialized services contracted by the City that are required to support the event including but not limited to Fire, Police, mailing services and fire tent permit fees.

Any additional costs for City Services will be invoiced to the applicant no later than 10 working days after the expiration date of the permit. Fees are payable within 30 days of invoice.

Please refer to [Comprehensive Fee schedule](http://www.cityofsanmateo.org/DocumentCenter/View/49628) at <http://www.cityofsanmateo.org/DocumentCenter/View/49628> for a list of all up-to-date fees.

Section 5. OTHER PERMITS AND LICENSES

Some special events will require permits and licenses from other departments in the City of San Mateo as well as County or California State Agencies. Fees associated with securing permits from other agencies are not included in the Special Community Event Permit Application fee. A representative from the San Mateo Special Community Events Committee can provide additional guidance on needed permits and licenses based on your completed Special Community Event Application.

Selling of Goods, Merchandise and/or Services

Special Events Vendor Business License

The City of San Mateo Municipal Code requires all persons or businesses doing business in the City of San Mateo to pay an annual business tax (also called a business license, business tax certificate or a BTC). Please note that 501(c) nonprofits are exempt from this license.

- All Special Event Vendors that don't already have a San Mateo Business License are required to pay a one-time fee of \$31 for the Special Events Vendor Business License. Refer to **Application for City of San Mateo Business Tax Certificate (Attachment 2)**.
- A Special Events Vendor Business License is not required for vendors with a brick and mortar location within the City of San Mateo with a current San Mateo Business License.

Food Vendors, Food Trucks and Event Operators

Food vendors, food trucks and event operators will be required to obtain a San Mateo County Health Temporary Event Permit if your event is selling, giving away, sampling, or preparing food.

San Mateo County Health Temporary Event Permit

A permit to operate is required by the California Retail Food Code (Cal Code) prior to selling, giving away, or sampling of food to the public from any temporary food facility. Pre-packaged foods are exempt from requiring a County health permit.

- If your event is serving food, you will need to obtain an application with San Mateo County Health. Visit the [San Mateo County Health System](http://www.smchealth.org/applications) applications webpage at <http://www.smchealth.org/applications> for information and forms for food booths, food trucks (mobile food facilities) and Farmers' Markets. The County recommends applicants submit application no less than one month before the event. Please be aware that a health permit is valid for one single food booth or truck only.

Alcohol

Alcohol at an event requires approval from the Special Event Committee and a license from the California Department of Alcoholic Beverage Control (ABC). This process can take a minimum of 60 days.

The applicant is responsible for making sure that alcohol use and consumption is limited to the date, hours and location(s) approved. The San Mateo Police Department has the right to stop any alcohol sales or use not in compliance with the Permit.

City of San Mateo Special Events Committee Approval

- Please complete the Serving/Selling Alcoholic Beverages section on the Special Community Event Permit Application.

California State License

- Visit the [California Department of Alcoholic Beverage Control](http://www.abc.ca.gov/Forms/PDFSp.html) website at <http://www.abc.ca.gov/Forms/PDFSp.html> for information and permit applications for serving alcoholic beverages at special event. You will need to provide the number of the Alcoholic Beverage Control (ABC) License to the Special Events Committee.

Fire and Life Safety Requirements Special Events Policy

- Review the **Fire and Life Safety Requirements Special Events Policy (Attachment 3)** for general fire and life safety requirements for events in the City. It is the responsibility of the event applicant to ensure each exhibitor meets all of the fire department's fire and life safety requirements.

Street Closure

A street closure is when no vehicle traffic is permitted in the event perimeter and no access by a vehicle to residences or businesses.

If the event requires street closure:

- Submit a Route Map and Traffic Control Plan (TCP) per [California Manual of Uniform Traffic Control Devices](http://www.dot.ca.gov/trafficops/camutcd/) (MUTCD) standards located at <http://www.dot.ca.gov/trafficops/camutcd/>.
- Route maps and traffic plans are reviewed by a Public Works Traffic Engineer.
- The San Mateo Fire Department requires a minimum sixteen (16) feet wide access lane at all times during street closures.
- Complete the Street Closure & Parking Area Information portion on the permit application.

Tents and Temporary Membrane Structures Permit

If your event has a tent or temporary membrane structure having an area in excess of 400 square feet, a Tent & Temporary Membrane Structures Permit will be required by the Fire Department along with applicable fees.

- Please download [Tents and Temporary Membrane Structure Packet](http://www.cityofsanmateo.org/DocumentCenter/View/48110) for information on Tent Permits located at <http://www.cityofsanmateo.org/DocumentCenter/View/48110> for the Tents and Temporary Membrane Structure Packet Application Form.
- The current [Fire Department Fee Schedule](http://www.cityofsanmateo.org/DocumentCenter/View/43322) for applicable fees is available at <http://www.cityofsanmateo.org/DocumentCenter/View/43322>.
- Tent rental companies and/or installers typically assist with obtaining these permits.

- Once this permit is approved, the San Mateo Fire Department shall conduct a site inspection after the tent/structure is erected AND after the interior is setup and decorated.
- No open flame cooking is allowed within a tent, canopy or membrane structure.

Section 6. ADDITIONAL INFORMATION

This section lists additional documentation and other information that may be required. If applicable to your event, the following information will be required on the Special Community Event Permit Application.

Event Services – Restrooms

You may be required to provide portable toilets for events with an expected attendance of 100 people or more, depending on the length of the event. Please be advised that your organization is responsible for contacting a portable restroom service provider to arrange for these facilities. Although restroom facilities are available in community parks, you may be required to provide additional portable restrooms and hand washing stations depending upon the nature of your event.

Marketing and Advertising

The City does not advise marketing and advertising the event until the Special Community Event Permit Application has been approved.

Security Information

The City may require that security personnel be present at events serving alcohol. This will be determined by the San Mateo Police Department at the Special Community Events Committee meeting.

Paid security can be provided by the San Mateo Police Department, dependent on staff availability, or by a private security firm, at the applicant's expense. Appropriate levels of staffing are subject to review or discussion with the San Mateo Police Department. If event uses a private security firm, the contract must be provided to the City no later than 45 days before the event.

Private Property

If event is on private property and the applicant is not the owner, a letter of authorization from the property owner must be submitted at the time of application.

Public Noticing

For first time "high impact" events or when there is substantial change of a previously held event, the applicant will be required to mail a notice of intent with an event description to property owners located within 300 feet of the event or to properties immediately adjacent to a parade or a run/race route to solicit comments. Mailing labels of nearby property owners and residents will be provided by the City. Notices must be mailed out by the event organizer at least 10 days prior to the start of the approved event. Any comments received from the neighborhood will be considered by the Special Event Committee before a permit is issued.

Waste Management, Recycling and Composting

For events with an expected attendance of 100 people or more, you may be required to provide garbage, recycling and compost collections containers.

The City of San Mateo recommends Recology San Mateo to provide waste management services. The applicant will be responsible for contacting [Recology](#) directly at 650-595-3900 to arrange for disposal services and payment for your event.

Section 7. SITE PLAN AND ROUTE MAP

When submitting the Special Community Event Application, a complete site plan and route map (if applicable) is required with your application. A site plan is a top down view of the property on which you would like to have your event. The site plan should show the property boundaries, relevant features and dimensions of any structures that you would like to place on the site. This site plan may be hand drawn but must be neat, accurate and legible.

The Site Plan should include and clearly identify any of the following:

- Perimeter of the entire event venue, including the name of adjacent streets.
- Route of the event (such as a parade), including the direction and time of travel.
- Use of streets, parking spaces or public sidewalks (i.e., street closures, blocking off parking spaces, tables on sidewalks, electric cords crossing a sidewalk, etc.).
- Temporary structures (i.e. stages, bleachers, other seating areas, tables, canopies, tents, portable toilets, vendor information and/or activity booths, cooking/food service areas, trash and recycling containers, etc.)
- Power source (i.e., generator, electrical plug, etc.)
- First aid facility
- Entertainment (i.e., bands, performers, etc.)
- Vehicles and trailers
- Entrances/Exits for outdoor fenced events or within tents or temporary structure
- Fire Access Lane – a minimum of 16 feet wide
- Parking Space Closures
 - If event is in the downtown area with metered parking spaces, list street names with parking spaces to be closed. Include meter numbers.
 - Temporary No Parking signs must be posted at parking spaces 72 hours prior to the event.
 - Temporary No Parking signs must be purchased from the Public Works Department and can be obtained from the City Hall Public Works Counter or by calling 650-522-7300.
- If during the event, City staff find potential hazards with traffic and/or pedestrian safety, modifications to the street closure plan may be required.

Please keep in mind that for all indoor and outdoor sites, activities and programs must be accessible to persons with disabilities, and it is the applicant's responsibility to comply with all City, County, State and Federal disability access requirements applicable to the event.

Section 8. INSURANCE REQUIREMENTS

Insurance for your event will be required before the special event permit application is approved for events held on the public right-of-way, in city parks or on other city property, such as parking lots. You will need commercial general liability (or comprehensive) and property damage insurance. Certificates of insurance are to be submitted to the City for approval 14 working days prior to the day of the event. Events on private property do not require insurance.

Standards for Insurance for Special Community Events

Commercial General Liability (or Comprehensive) and Property Damage Insurance coverage required of all persons performing work or organizations holding events on street rights-of-way or other City property.

Automobile Liability is needed if automobile, trucks, etc. as part of the special event.

<p>COMMERCIAL GENERAL LIABILITY (or COMPREHENSIVE)</p>	<p>\$2,000,000</p>	<p>Per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this event or the general aggregate limit shall be twice the required occurrence limit. *</p>
<p>AUTOMOBILE LIABILITY</p>	<p>\$1,000,000</p>	<p>Per accident for bodily injury and property damage. *</p>

*May NOT substitute "each accident" for "each occurrence".

Insurance MUST name the City of San Mateo as an additional insured using the following wording EXACTLY, and insurance certificate MUST show:

"CITY OF SAN MATEO AND ITS APPOINTED AND ELECTED OFFICERS, OFFICIALS, EMPLOYEES AND AGENTS AS ADDITIONAL INSURED"

Insurance must have a 30-day cancellation clause.

Permittee shall furnish the City with original certificates and endorsements effecting coverage required by this clause.

Other Insurance Provisions

Permittee shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance

for the work hereunder and the results of that work by the Permittee, its agents, representatives, employees or subcontractors.

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status

The City, elected and appointed, officials, employees, and agents are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Permittees activities pursuant to the Special Events Permit. General liability coverage can be provided in the form of an endorsement to the Permittee’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if later edition is used). Address for additional insured:

**City of San Mateo
330 West 20th Avenue
San Mateo, CA 94403**

Primary Coverage

For any claims related to this contract, the Permittee’s insurance coverage shall be primary insurance as respects the City, its elected and appointed, officials, employees and agents. Any insurance of self-insurance maintained by the City, its elected and appointed, officials, employees, or agents shall be excess of the Permittee’s insurance and shall not contribute with it.

Notice of Cancellation

Each insurance policy required above shall provide that coverage shall not be cancelled, except with notice to the City.

Waiver of Subrogation

Permittee hereby grants to City a waiver of any right to subrogation which any insurer of said Permittee may acquire against the City by virtue of the payment of any loss under such insurance. Permittee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not City has received a waiver of subrogation endorsement from the insurer.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the City.

Verification of Coverage

Permittee shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by the clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Permittee’s obligation to provide them. The City reserves the right to require complete, verified copies of all required insurance policies, including endorsements required by these specifications at any time.

Special Risk or Circumstances

City reserves the right to modify these requirements, including limits based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Section 9. SUBMISSION

Please note - Applications can be submitted up to a year in advance but must be submitted **no later than 90 days before a new event or 45 days in advance** for a previously held and approved event.

Check list for submission:

When submitting your initial application please provide the following:

- Fully completed Special Community Event Permit Application (Attachment 1)
- Application Fee
- Site Plan diagram of event
- Route Map (if applicable)
- Letter of authorization from property owner if the event is being held on private property and when the applicant is not the property owner (if applicable)

After initial review, the Special Community Events Committee may request additional submittal materials, depending on the event:

- General Liability Insurance Certificate with required endorsements (submit at least 14 working days prior to the day of the event)
- Proof of San Mateo Business License for vendors
- Copy of County Health Permit(s) for events offering food
- Completion of Fire Permit Application
- State of California Alcohol Beverage Control (ABC) Permit for events offering alcohol
- Any additional deposits (determined by the Special Community Events Committee)
- Letter of notice to surrounding residents/businesses
- Traffic Control Plan (TCP) (if applicable)

Application and other materials can be submitted by email, mail or dropped off in person:

**City of San Mateo
Attention of Public Works
330 W. 20th Ave., San Mateo, CA 94403**

**Email: Publicworks@cityofsanmateo.org
Telephone: 650-522-7300**

Section 10: PERMIT APPROVAL, REVOCATION OR DENIAL

The Special Events Committee will make a decision once the completed application, along with any additional information, is submitted. The Committee will also set any conditions, additional requirements and/or fees. Once approved, a permit will be issued and the applicant will be notified in writing.

An application can be denied if it is determined that:

- the applicant provided false or misleading information;
- the event conflicts with other planned events in the area;
- the applicant or organization had previous permit violations;
- and/or the applicant is unable to meet the conditions of approval as outlined in the application.

An approved permit can be revoked if it is determined that the applicant:

- knowingly provided false or misleading information;
- failed to pay required fees;
- failed to provide proof of insurance;
- failed to agree to the indemnification agreement; or
- provides new information that materially changes the event.

A decision to deny or revoke a special event permit application is appealable to the City Manager in the manner specified in §17.34.110 of the San Mateo Municipal Code.

San Mateo City Special Events Fire and Life Safety Requirements Packet

Attachment 3

Fire and Life Safety Requirements San Mateo City Special Events

The San Mateo Fire Department has a vested interest to ensure the fire and life safety of all events and activities within the city. The following are general fire and life safety requirements for events in the City of San Mateo. These requirements are taken, in part, from the California Code of Regulations Title 19 and the California Fire Code (2013 Edition).

All exhibitors and the event promoters shall comply with fire and life safety as required. It is the responsibility of the event promoter to ensure each exhibitor meets all of the fire department's fire and life safety requirements.

Permit Submittal, Permit and Inspection Fees

1. The following information shall be submitted to the San Mateo Fire Department no later than **30 days prior to the scheduled event date**. One (1) set of the following information shall be submitted to the San Mateo Fire Department. **Facsimile submittals are NOT ACCEPTABLE. Failure to provide the required information to the San Mateo Fire Department 15 days prior to the event will result in double fees and may result in the delay the start of your event.**
 - A. Completed and signed Special Activities Questionnaire Permit Application. See attached.
 - B. Site Plan - All site plans must include the following information and shall be clear and legible.
 - 1) Site plan shall be drawn to scale. Minimum plan size is 8" x 11"
 - 2) Booth locations and sizes,
 - 3) Exit aisle widths shall be maintained clear and ten (10) feet wide,
 - 4) Electrical panel locations,
 - 5) Building columns,
 - 6) Fire extinguisher and fire hose locations,
 - 7) Exit doors,
 - 8) If applicable, tent and locations within the buildings or outside on the grounds.
2. All initial fees are paid through the City. Plan check and fire inspection/permit fees are (**see fee schedule**) based on an hourly rate. Additional inspection fees may be charged for inspections taking longer than one hour. Plan check fees and permit inspections are required for tents (greater than 400 square feet). Other permits are required such as solid fuel used for cooking or vehicle displays at the event center. Stand-by personnel fees (see section below) and any additional inspection fees will be invoiced directly to the event promoter.

Permit Approval, Inspections and Fire Department Stand-By Personnel

1. A fire permit constitutes permission to maintain, store, or use or handle materials, or to conduct processes that produce conditions hazardous to life or property, or to install equipment used in connection with such activities. Such permission shall not be construed as authority to violate, cancel or set aside any of the provisions of the California Fire Code. Such permit shall not take place of any license required by law. (CFC Chapter 1, Section 105)
2. It shall be the duty of the permit applicant to notify the San Mateo Fire Department that the event is ready for inspection. Please schedule the fire inspection at (650) 522-7940 at least 48 hours in advance. All permits, approved plans shall be on site for the inspection. (CFC Chapter 1, Section 105.4.6)
3. To ensure public safety, fire department stand-by personnel are required when deemed necessary through the plan review process or inspection. Fire Department stand-by personnel will consist of the hiring a minimum of one firefighter (or more if the event warrants additional personnel), designated by the San Mateo Fire Department, for a period

starting one hour before the event opening to one hour after the event closing, each day the event occurs. The firefighter will work under the direction of the San Mateo Fire Department. (CFC Chapter 4, Section 403)

General Fire and Life Safety Requirements

The items mentioned below shall not be construed to encompass all items that will be required by the San Mateo Fire Department. Late submittals and actual field inspections may have additional requirements that shall be met prior to the start of any event.

Exits and Aisles (CFC Chapter 10)

1. Aisles shall be maintained clear of all displays, chairs, tables, equipment, trashcans, etc. Crowd control devices such as ropes, stanchions, barricades shall not block aisles and exits. Curtains, dividers and partitions shall not be placed directly in front of any exit door. Maintain at least a ten (10) feet clear space in front of all exit doors and in all aisles.
2. Exit ways, exit doors, and exit signs shall remain unobstructed at all times. Exit signs shall be in full view and not obstructed by decorations, partitions and the like.
3. Overcrowding is a serious offense and subject to CITATION. If you are unsure of the maximum occupant load for your event contact the Fire Department.

Portable Chairs/Seats (CFC Section 1028 Title 19, Division 1 3.06)

1. Individual rows of portable chairs/seats are limited to 14 chairs/seats per row and shall provide a 12" clear area between rows.
2. Where portable chairs/seats are used, 42" center aisles and 36" end aisles shall be provided and maintained.
3. Bonding of portable chairs/seats is required when more than 200 chairs/seats are used in a row configuration.

Fire Extinguishing Appliances (CFC Chapter 9)

1. Fire extinguishers and fire hose cabinets shall remain visible and accessible at all times. Decorations, exhibits and/or displays shall not obstruct or conceal any fire extinguisher or fire hose cabinet.
2. Exhibitors with an approved and permitted flame-producing device shall have a fully charged and serviced portable fire extinguisher within their specific exhibit area.

Decorations and Displays (CFC Chapter 8)

1. All cloth and paper decorative materials including drape used in booths shall be inherently flame retardant or treated with a flame retardant solution. The decorative materials shall meet Class A (0-25 Flame Spread Index), ASTM 84 and California State Fire Marshall approval. All decorative material shall bear the California State Fire Marshall seal and approval number.

Electrical (CFC Chapter 6)

1. All electrical devices that are wired with a three-prong plug shall utilize the "U" ground receptacles.
2. All extension cords shall be heavy-duty three -wire type. Extension cords shall not be connected together (daisy-chained) or to a Multi-plug adaptor (plug strip) to provide electricity to a remote appliance. Extension cords shall not be used in a position that may create a tripping hazard or subject to mechanical damage.

3. Multi-plug adaptors (plug strips) may be used provided they are polarized or grounded and equipped with over current protection (fuse). The Multi-plug adaptor shall be listed in accordance with Underwriters' Laboratory 1363 Standard and bear the UL marking.
4. A clear, unobstructed access shall be maintained in front of every electrical sub-panel. The unobstructed access shall be from the aisle to the operating face of the sub-panel.

Flammable Liquids and Compressed Gases (CFC Chapters 53 and 57)

1. Flammable liquids and gases are prohibited in all buildings.
2. The use of Liquefied Petroleum Gas (LPG) is strictly regulated. A separate fire permit is required for each point of use. Please contact the San Mateo Fire Department for permit requirements per CFC Chapter 57.
3. Pressurized gas cylinders shall be secured in an approved manner to prevent the cylinders from tipping over.

Vehicle Display (CFC Chapter 3)

1. All unattended vehicles on display shall have the keys available at the show office so access to the vehicles can be made during inspection. Failure to provide the keys will result in the removal of the vehicle from the show.
2. All vehicle fueling shall occur outside of the building. Fuel-tank openings shall be locked and sealed to prevent the emission of fuel vapors. All vehicles shall have no more than 1/4 of the tank capacity or 5 gallons whichever is less.
3. All vehicle batteries shall be disconnected while vehicle is on display within the building.
4. The locations of all vehicles, gasoline-powered equipment, generators, fuel storage, and refueling sites must be shown on the trade show floor plan and approved by the Fire Department in conjunction with the trade show permit.

Flame Producing Devices (CFC Chapter 3)

1. The use of heat, sparks or open flame producing devices including candles, shall be approved by the San Mateo Fire Department prior to the start of the show. Chafing dishes are accepted if solid gel-type fuel is used for the heat. Exhibitors with such devices may be required to provide a portable fire extinguisher for their specific exhibit area.
2. Cooking is prohibited within the buildings unless specifically permitted by the fire department.

Candles, Pyrotechnics, and Heat Producing Process (CFC Sections 105,308, Chapter 56 Chapter 26 NFPA 58, Title 19 Division 1 Chapter 6)

1. Candles, open flame devices, and flame effects may be used for theatrical performances, and as decorative devices when specifically approved by the Fire Department. Vendors/Exhibitors shall comply with all Fire Code requirements for the use of open flame devices in places of assembly.
2. The possession, storage, handling, sale and /or use of pyrotechnic special effects devices is not allowed in exhibit halls unless specifically approved by the Fire Department. Vendor/Exhibitors shall comply with all requirements for the use of pyrotechnic devices.

Parking (CFC Chapter 5)

1. Parking is prohibited except in the designated parking lots. Any vehicle found parked in fire lanes, blocking building exits, fire department connections and fire hydrants will be cited and towed at the owner's expense.

Tents (CFC Chapter 31/Title 19)

1. The use of tents is strictly regulated. For all other tents, or displays that may create a distinct fire hazard, a separate fire permit is required to be obtained prior to the use of any tent or canopy or display. Please contact the San Mateo Fire Department for permit requirements and regulations

Food Booths Operations Involving Deep Fat Frying

It should be recognized these provisions have been significantly modified to permit limited use of deep fat frying operations inside food booths. These modifications have been made conditionally for San Mateo County Health Services and the California Health and Safety Code requiring that deep fat frying operations be conducted within an approved fully enclosed booth.

It should be further recognized that deep fat frying operations inside booths and/or tents is potentially hazardous.

Food booths conducting deep fat frying operations shall comply with the following:

Deep fat frying operations shall only be permitted in a minimum 20 x 20 foot booth. Booths, if formed by tents or canopies, shall be certified flame retardant and have attached California State Fire Marshal flame-retardant label.

Deep fat frying appliance(s) shall be located no closer than 3 feet to an exit.

Surfaces shall be kept clean of any residual grease build up.

Booths where deep fat frying operations are being performed require one type **"K" rated** portable fire extinguisher.

Two exits are required from food booths with deep fat frying operations and shall be located at opposite ends of the booth. Both exits may exit out the backside of booth.

Deep fat frying operations is limited to a maximum of 10 gallons of cooking grease.

San Mateo Fire Department Permit Application Special Activities Questionnaire

City of San Mateo
1040 E. Hillsdale Blvd.
Foster City, California 94404
650-522-7940 / Fax 650-522-7941

Please fill out all required information. Failure to complete the questionnaire will result in the rejection of your application.
