

NEWLY CONSTRUCTED COMMERCIAL OR MULTI-FAMILY BUILDINGS

PLAN SUBMITTAL CHECKLIST

The information provided in this document is general and intended as a checklist for Building Division submittal purposes only, additional requirements may be enforced as deemed appropriate.

Digital Submittal General Requirements (Recommended)

- 1) Create an account through the [City of San Mateo Citizen Self-Service \(CSS\) Portal](#).
- 2) Confirm all files meet the City of San Mateo eReview Submittal Requirements and are generated as PDFs for review (minimum 11" x 17" paper size for drawings).
- 3) Review the [City of San Mateo Online Permit Center](#) Website for procedure on submitting a Building Application.

*NOTE: Please contact the Permit Center Division for guidelines on the process for submitting paper plans by emailing building.info@cityofsanmateo.org.

Additional Potential Requirements Based on the Scope of Work

- **OTHER DEPARTMENT REQUIREMENTS:** Contact other City Departments for information pertaining to other requirements including, but not limited to: zoning and land use requirements, sprinkler requirements, trash & recycling, sewer, easements and encroachments, etc.
- **SAN MATEO HERITAGE TREE ORDINANCE:** It is unlawful for any person to remove or prune any Heritage (Protected) Tree from any property in the City of San Mateo without first obtaining a permit from the City Arborist. Applicants are to pursue other methods of solving tree-related problems, using proven arboricultural techniques, other than removing valuable trees unless absolutely necessary.
- **SAN MATEO COUNTY HEALTH DEPARTMENT FOOD FACILITY APPROVAL:** A plan approval must be obtained from the San Mateo County Environmental Health Department before construction, enlarging, altering, converting, or remodeling any portions of a building for use as a food facility (space where pre-packaged food, cooked food, food products, etc. is served to the public).
- **FEMA FLOOD ZONE:** Properties located in designated Special Flood Hazard Areas, as determined by the FEMA Flood Map, may be subject to additional requirements and measures to mitigate flood risks. These may include elevating the structure(s), floodproofing, and providing necessary documentation to ensure compliance with FEMA floodplain requirements.
- **WATER EFFICIENT LANDSCAPE ORDINANCE (WELO):** The City of San Mateo has adopted a Water Conservation in Landscaping Ordinance to ensure that all qualified development projects comply with the State of California's Water Efficient Landscape Ordinance (WELO). Newly constructed projects must provide measures reducing water usage and allowing efficient use of water to ensure compliance with the ordinance.
