MEMORANDUM OF UNDERSTANDING
BETWEEN
CITY OF SAN MATEO
AND
SAN MATEO POLICE OFFICERS' ASSOCIATION

This Memorandum of Understanding constitutes the result of meeting and conferring in good faith pursuant to the provisions of Chapter 10, Division 4, Title 1, of the Government Code of the State of California.

"Employees" means all workers covered by this Agreement whether male or female, and the use of masculine pronouns or other masculine terms shall include the feminine.

Modifications to existing wages, hours and conditions of employment set forth below have been agreed to by the signatories to this Memorandum for implementation for all employees represented by the San Mateo Police Officers' Association hereafter called "Association." This Memorandum of Understanding shall remain in full force and effect upon the approval of the City Council of the City of San Mateo and ratification by members of the Police Officers' Association. The Agreement of the parties is outlined in the Memorandum of Understanding which follows:

Article 1 - Recognition

The City has recognized the Association as the exclusive bargaining representative for all permanent and probationary employees within the classifications of Police Officer, Police Officer Trainee, Community Service Officer I/II, Senior Community Service Officer, Dispatcher I/II, and Senior Dispatcher. For purposes of identification this unit shall be entitled the Police Unit.

The Personnel Officer, (Municipal Employee Relations Officer), or any person or organization authorized by the City, is the representative in employer-employee relations.

Article 2 - Mail Distribution

The Association may distribute a reasonable amount of information to City employees through intra- and inter-departmental mail without interference or censorship.

Article 3 - Salary for POA Unit Classifications

Compensation is intended to be consistent with City-wide compensation objectives as approved by the City Council in July of 1993 and commensurate with actual job performance. Effective with all increases provided after September 1993, job performance will be the sole criteria for determining an individual employee's placement within a salary range.
3.1 **Salary on Initial Appointment**

On initial merit appointment, the entrance salary shall be at the minimum salary for the class except, when in the opinion of the City Manager circumstances warrant, appointment may be made at a higher level on the recommendation of the Department Head.

3.2 **Salary Advancement Within Range**

Salary advancement within a five-step range shall be based on merit and performance as determined by the Department Head. The evaluations and recommendations of the employee's superiors will be used by the Department Head, who will determine the employee's advancement within the range.

Salary advancement within an established range is typically considered at one-year intervals. The date of salary review and increase may be advanced or delayed as determined by the Department Head. Salary advancement within the range typically occurs in increments of four and one-half percent (4 1/2%). At no time shall an employee advance beyond the top of the established range. Withholding salary increases under Article 4 shall not be considered discipline and is not subject to the principles of Article 14 (Discipline).

3.3 **Salary on Demotion**

"Demotion" shall mean the demotion from one class to a different City class for which the maximum rate is lower than the maximum rate of the former class. Said demotion shall be considered voluntary unless it results from the layoff or discipline process.

The salary rate for demoted employees shall be as follows:

<table>
<thead>
<tr>
<th>Reason</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>A. discipline</td>
<td>A. as set by discipline</td>
</tr>
<tr>
<td>B. voluntary demotion, or layoff</td>
<td>B. top of range</td>
</tr>
<tr>
<td>C. failure to complete probation after</td>
<td>C. return to same relative pay as</td>
</tr>
<tr>
<td>promotion</td>
<td>held before promotion</td>
</tr>
</tbody>
</table>

3.4 **Salary on Transfer**

"Transfer" shall mean a change of positions within the same class or comparable class with a salary differential of five percent (5%) or less between tops of ranges.

3.5 **Salary on Military Leave**

All employees who have been granted a military leave will upon their return to the City service be entitled to the normal salary advancements within the range scale of the established wage schedule of their classifications that occurred during the period they were in the military service.
3.6 **Miscellaneous**

If appointed to a class having a maximum salary equal to that of the immediate former class, an employee shall be entitled to receive the same rate they would have received if they had remained in the former class.

3.7 **Review Process**

Employees may discuss delay of step advance with their supervisor's superior, up to and including the Department Head, by requesting such a discussion within ten (10) calendar days of receipt of the document/notification of delay of step. However, no appeal shall occur from the decision of the Department Head, whether by discipline procedures, grievance, or otherwise.

**Article 4 - Overtime**

4.1 **Definitions**

A. Regular overtime is authorized time worked, except emergency overtime, by an employee in excess of their normally scheduled tour of duty.

B. Emergency overtime is authorized time worked by an employee when he or she is contacted outside of his or her regular working hours and is requested to report to duty because of an emergency. Emergency, within the meaning of this Section, means an unpredictable or unavoidable occurrence at unscheduled intervals requiring the specific employee reporting to duty to respond to the scene of the emergency or other location directly related to the emergency, as directed by a supervisor. Employees requested to report to duty as part of a minimum or increased staffing is not considered as an emergency within the meaning of this section.

4.2 **Trades**

Trades of schedule are for the benefit of the employee. All such trades must be repaid within the current annual shift selection period or the particular trade will be disregarded by the City and cannot be made up.

4.3 **Overtime Payment/Compensatory Time**

An employee who accrues compensatory time for overtime worked under the provisions of Section 5.1 above may waive direct payment of overtime and in lieu thereof may accumulate time off at the one and one-half (1-1/2) rate to a maximum of one hundred and thirty-two (132) hours.

A. **Exceptions to Accrual of Compensatory Time Off**
Upon an Officer’s request and with the approval of the Police Chief or designee, overtime hours worked for the purposes of training and posted mandatory overtime for staffing purposes may be compensated in the form of compensatory time off subject to the accrual limitations above.

B. Use of Compensatory Time Off

The employee may utilize accrued compensatory time just as the employee would any other paid time off, but the department may not unreasonably prohibit the employee from utilizing the accumulated time.

4.4 Overtime Compensation

Overtime worked shall be paid for at one and one-half (1-1/2) times the employee's established rate of pay, including educational incentive pay.

An employee who is on pre-scheduled vacation, compensatory time off (CTO) and/or holiday time, may elect to work an overtime shift that fulfills a departmental operational need. In such instances, the employee will not be paid for that pre-scheduled vacation, CTO and/or holiday time, as such leave shall not be deducted from the employee’s leave balance. The employee shall instead be compensated at their applicable overtime rate for the elected hours worked. If the elected shift coincides with the employee’s regularly scheduled shift, overtime will only be aid with the approval of the supervisor.

4.5 Minimum Overtime at One Time - Exceptions

Overtime shall be of at least one tenth (1/10) of an hour at any one time in order to be compensable, with the following exceptions:

4.5.1 Emergency Overtime

Any employee who is called in for emergency overtime of any duration shall be compensated for a minimum of four (4) hours overtime, unless the emergency notification is less than three hours prior to the employee’s scheduled work time, in which case the employee will be paid as outlined in 4.4 of this MOU. In compensation for travel time, emergency overtime shall start at the time the employee is notified, but not exceed one hour.

4.5.2 Court Appearance

A. The definition of Court Appearance shall include any time a court appearance is made, sworn testimony is provided, i.e. by telephone (with outlined exception per Subdivision D), DMV Admin Per Se Hearing, whether under subpoena, assigned by the department, by request of a District Attorney’s Office, a City Attorney’s Office, or under civil subpoena issued by a Civil Attorney. Overtime spent conferring with the prosecuting attorney in person will be considered as court overtime and part of the court appearance.
B. Employees who are assigned to an alternative work schedule (other than a standard five (5) day - eight (8) hour work shift) will be paid the minimum four (4) hours pay if the court appearance occurs on their days off. The four (4) hour minimum is paid at time and one-half (MOU Overtime Rate). Employees do not earn the minimum four (4) hours for multiple appearances in court within the same day. Appearances beyond the initial four (4) hour appearance period will be compensated for actual hours spent in the court process at the overtime rate provided in this article.

C. Employees who are assigned to an alternative work schedule (other than a standard five (5) day – eight (8) hour work shift) will be paid a minimum two (2) hours pay if the court appearance occurs on their workday, but not during their scheduled hours (e.g., Court is at 0900 and the employee normally starts their shift at 1500 hours). The two (2) hour minimum is paid at time and one-half (MOU Overtime Rate). Employees do not earn the minimum two (2) hours for multiple appearances in court within the same day. Appearances beyond the initial two (2) hour appearance period but not during their scheduled work hours will be compensated for actual hours spent in the court process at the overtime rate provided in this article.

If an employee appears in court on a work day, the employee may work the remainder of their scheduled shift, or, provided there is sufficient staff available, leave (using leave balances).

If an employee whose work shift ends at 7:00 a.m. (midnight shift) is subpoenaed to appear in court at 9:30 a.m. or earlier, the employee shall have the option to remain on duty and perform assignments until commencement of the court appearance. The employee shall be compensated at time and one-half (MOU Overtime Rate) for hours worked in excess of their scheduled shift. The employee’s exercise of the option to continue working shall not deprive the employee from receiving at least minimum compensation otherwise provided in 4.5.2.

Employees who are participating in a jury trial or lengthy Preliminary hearings may, at the department’s discretion, have their shifts rescheduled. Such schedule change, if any, shall not cause the employee to use leave balances or lose scheduled days off during the F.L.S.A. work cycle.

D. Employees who respond to a subpoena by telephone will be paid a minimum one (1) hour pay at the time and one-half rate (MOU Overtime Rate) established in this article. Time spent providing testimony by telephone beyond one (1) hour within the same day will be compensated for actual hours spent in the court process at the MOU Overtime Rate.

E. Lunch breaks taken during court overtime are not compensable. However, when court meal times exceed one (1) hour, the employee shall be entitled to compensation at the rate prescribed in Section 4.5 for the time by which the meal
break exceeds one (1) hour.

F. Employees who obtain a "standby relationship" with court officials will not be entitled to court overtime pay for hours spent away from the court awaiting call or recall to the court. They shall be paid a minimum one hour at the MOU Overtime Rate of pay for any day they are assigned to “standby”. Any time spent on standby beyond one hour in a single day will qualify for standby pay as described in this MOU. Employees must report within 90 minutes of being called to physically appear in court. If the employee is called to court during the standby period, the employee will be paid at the established standby rate for actual time spent on standby. In addition, the employee will be paid Court Overtime for the appearance as established in this article.

G. For off-duty, out of town Court Appearances, travel constitutes court overtime and is determined by the round trip from the San Mateo Police Department when said employee leaves for a courthouse or other location listed on a subpoena.

4.6 Authorization of Overtime

In order to be compensable, a specific authorization must be obtained from the Police Chief, or their authorized representative.

4.7 Patrol Officers' Alternative Scheduling Plan

A. Definitions: The following definitions shall apply to this Section only:

1) "Work Cycle" shall mean a twenty-eight (28) day period, beginning on a day determined by the City. This work cycle definition is intended to be consistent with definitions of a "work" period under FLSA.

2) "Work Day" shall mean continuous period of on-the-job time in accordance with the Department’s schedule.

B. Scheduling. Officers assigned to duty in Patrol will be scheduled for work days of eleven (11) hours and twenty (20) minutes in length, and will work on a four-on, four-off cycle. The City will credit individual Officer accounts at the first of the year and debit at the end of each work cycle as follows:

1) Any work hours worked in excess of one hundred sixty (160) working hours and less than one hundred seventy-one (171) working hours during a work cycle shall be paid for at time and one-half in accordance with the FLSA.

2) Compensation for any work performed beyond the work day of eleven (11) hours and twenty (20) minutes will be paid overtime at the rate of time and one-half at the MOU Overtime Rate.
3) Court appearance overtime will be compensated for as provided in Article 4.5, except that pursuant to Article 4.3, the employee will determine the method of payment.

C. The Police Chief may terminate this program at any time after meeting with the Officers' Association and providing written notice of schedule change to the Officers' Association.

Article 5 - Training Outside Regular Working Hours

Lunch breaks taken during overtime training are not compensable for the first hour. Lunch breaks taken during training which exceed one hour at the direction of the instructor will be compensable.

Article 6 - Sick Leave Payoff

Upon service or disability retirement, employees enrolled in the vacation/sick leave program shall be paid a maximum of fifty percent (50%) of their accumulated unused sick leave up to a maximum of four hundred eighty (480) hours payment. Employees enrolled in the annual leave program shall be paid a maximum of fifty percent (50%) of their accumulated unused sick leave up to a maximum of six hundred (600) hours.

Employees separating from the City shall not be allowed to remain on the payroll after their last day at work. Severance payment shall be provided in a lump sum for all leave accrual eligible for payout.

Article 7 - Termination Allowance

All employees with one (1) year of continuous merit system service, whose employment is terminated because of death, shall be granted one (1) working day termination allowance at their basic pay rate, in addition to other compensation due them and one (1) additional day for each complete year worked thereafter.

Article 8 - Disability Leave for Non-Safety Employees

The purpose of this Section is to continue the compensation of employees who must remain off their jobs as a result of disability occasioned or injury received as a result of the discharge of their duties as employees of the City.

A Department Head is responsible for determining that only bona fide disability leave is taken.

For each disability, employees other than personnel covered under Section 4850 of the Labor Code shall be allowed disability leave up to and including sixty (60) working days. Such disability leave
shall be at full pay, less Workers' Compensation. If the sixty (60) working days become exhausted, additional time off may be charged to sick leave with the following exceptions: An employee shall not be charged sick leave for that portion of his or her salary for which temporary disability payments are received under the State Workers' Compensation Law.

Additional compensation may be awarded by Resolution of the City Council to employees disabled or injured in line of duty, if such compensation is considered merited and is recommended by the City Manager.

**Article 9 - Military Leave**

Military leave shall be granted by the City in accordance with the provisions of State and Federal laws.

**Article 10 - Jury Duty**

Employees required to report for jury duty shall be granted a leave of absence with pay from their assigned duties until released by the Court, provided the employee notifies his or her Department Head immediately of the notice to serve.

Employees called for jury service shall not be required to assume new or unusual regular working hours solely as a result of jury service. Every reasonable effort shall be made to ensure that personnel assigned to work a graveyard or swing shift who are called for jury duty shall be provided with: 1) a reasonable time for rest and recuperation prior to reporting for regularly scheduled duty, or 2) excused from their next scheduled shift, upon request by the employee, and provided that the employee has spent a significant portion of the day at jury duty. For the purposes of this Section, employees who have served five or more hours on jury duty will be allowed a minimum of eight hours recuperation break prior to reporting back to work.

**Article 11 - Retiree Court Appearance**

Should retired employees be subpoenaed to appear in court for a case related to their former duties with the City of San Mateo, they will receive straight time hourly payment for a minimum of two (2) hours at the step in the range that they were at when they retired. In addition, they will be reimbursed for mileage to and from their home or the San Mateo Police station, whichever is the lessor. The mileage will be paid at the IRS mileage rate.

**Article 12 - Leave Of Absence Without Pay**

Leaves of absence without pay may be granted for a period not to exceed one (1) year in cases of illness not covered by sick leave; in cases of personal emergencies, including childbirth; for education and training; or when such absences would not be contrary to the best interests of the
City. Any authorization for leave of absence without pay shall be made in writing by the Department Head.

The employee may elect to use earned sick leave (provided eligible for sick leave) and vacation prior to commencement of the leave or retain the earned sick leave and vacation for use upon return to employment.

Absence from duty without pay for a period not exceeding fifteen (15) calendar days for satisfactory reasons may be granted by the Department Head.

Any employee who does not return to his employment on or before the date of expiration of his leave shall be deemed separated from the service as of such date of expiration, subject to due process.

12.1 Family Care Leave

In accordance with the Federal Family and Medical Leave Act effective August 5, 1993, and the California Family Rights Act effective October 4, 1993, the City will grant job protected unpaid family and medical leave to eligible workers for up to twelve (12) weeks per twelve (12) month period for any or more of the following reasons:

A. The birth of a child and in order to care for such child or the placement of a child with the worker for adoption or foster care (leave for this reason must be taken within the twelve (12) month period following the child's birth or placement with the employee); or

B. In order to care for an immediate family member (spouse, child, domestic partner or parent) of the worker if such immediate family member has a serious health condition. For purposes of this section, "child" is anyone under eighteen (18) years who is the worker's biological, adopted, or foster child, stepchild, legal ward, or an adult dependent child. "Parents" include biological, foster, and adoptive parents, stepparents, and legal guardians; or

C. The worker's own serious health condition that makes the worker unable to perform the functions of their position.

The following provisions apply to Family Care Leave:

A. Eligible worker means having been employed for the City for twelve (12) months and having worked at least one thousand two hundred fifty (1,250) hours during the twelve (12) month period immediately preceding the commencement of the leave.

B. Medical verification is required for worker or ill family member for the medical leave period.

C. Workers are required to give at least thirty (30) days written notice in the event of
a foreseeable leave. In unexpected or unforeseeable situations, a worker should provide as much written notice as is practicable.

D. Workers may use accrued vacation as part of the family leave period. Use of sick leave is not required but may be used under the same regulations governing the use of sick leave. Use of sick leave does not extend the maximum four (4) month period of family care leave.

E. Should both parents work for the City, each may be granted up to twelve (12) weeks leave.

F. Maternity leave under state law is accounted for separately. Pursuant to State Law, an employee is eligible for up to four (4) months leave.

G. Health benefit premiums shall be made in accordance with the Federal Family and Medical Leave Act and the California Family Rights Act. Under the current law, the City will continue health coverage under the same conditions as coverage would have been provided if the worker had been continuously employed during the leave period.

H. Workers taking family care leave will be returned to the same or comparable job with the same pay at the conclusion of their leave.

I. Family care leave will not constitute a break in service for purposes of any employee benefit plan. Employees returning from leave shall return with no less seniority than accumulated on the date leave began.

J. Where seniority is used for purposes of vacation and/or shift bidding, family care leave shall not result in a loss of department seniority.

**Article 13 - Probationary Period**

The probationary period shall relate to the length of time it requires for an employee to become proficient in the particular position and for the appointing authority to adequately judge the proficiency. Recognizing that individuals and positions vary, the standard probationary period for all positions shall be as shown:

A. For lateral hires and academy graduates, the probationary period shall be twelve (12) months. This twelve (12)-month probationary period may be extended for up to six (6) months by the Chief of Police/designee.

B. For recruits hired before completing the academy, the probationary period shall be eighteen (18) months, which may be extended for up to six months by the Chief of Police/designee.

Article 14 - Grievance And Appeal Procedures

14.1 Purpose

To promote improved employer-employee relations by establishing grievance and appeal procedures which afford employees a systematic means of obtaining further consideration of problems after every reasonable effort has been made to resolve them through informal discussions with the supervisor.

G. Probationary employees rejected during probation shall have no right to appeal or grieve under this MOU.

H. Items filed more than twenty-one (21) calendar days following the event giving rise to the grievance or first knowledge of the grievance.

14.4 Informal Grievance Procedure

Within twenty-one (21) calendar days of the event giving rise to the grievance, employees who have a problem or complaint should first try to get it settled through discussion with their immediate supervisor or obtain departmental support for his or her position if the City Manager or City Council must act. If, after this discussion, they do not believe the problem has been satisfactorily resolved, they shall have the right to discuss it with their supervisor's immediate superior, if any, in the management ranks. Every effort should be made to find an acceptable solution by informal means at the lowest possible level of supervision. If the employee is not in agreement with the decision reached by discussion, they shall have the right to file a formal grievance in writing after receiving the informal decision of immediate superior. An informal grievance shall not be taken above the Department Head.

14.5 Formal Grievance Procedure

Levels of review through the chain of command are as follows:

First Level Supervisor or Division Head
Second Level Department Head
Third Level City Manager
Fourth Level Personnel Board/City Council - final judgment & disposition.
A. **First Level.** Not later than twenty-one (21) calendar days after the event filing rise to the grievance, the grievance shall be prepared, signed by the employee and presented in writing explaining the matter grieved and setting forth therein a statement of the action desired, in sufficient detail for the supervisor to understand the nature of the request.

The immediate supervisor or division head shall render their decision and comments in writing and return them to the employee within seven (7) days after receiving the grievance. If the employee does not agree with this supervisor's decision, or if no answer has been received within seven (7) calendar days, the employee may present the grievance in writing to their supervisor's immediate superior. Failure of the employee to take further action within ten (10) calendar days after receipt of the written decision of their supervisor, or within a total of twenty-five (25) calendar days if no decision is rendered, will constitute a dropping of the grievance.

B. **Second Level.** If a grievance involves a department-wide problem, it may be presented directly to the Department Head or his or her representative within twenty-one (21) calendar days of the event giving rise to the grievance. The Department Head receiving the grievance shall review it, render their decision and comments in writing, and return them to the employee or the employee's representative within seven days after receiving the grievance. If the employee does not agree with the decision, or if no answer has been received within seven (7) days, they may present the grievance in writing to the City Manager. Failure of the employee to take further action within fourteen (14) calendar days after receipt of the decision, or within a total of twenty-five (25) calendar days if no decision is rendered, will constitute a dropping of the grievance.

If the employee concerned desires to be represented by the Association at the second level of the grievance procedure or higher, authority for such representation shall be signed by the employee and submitted to the Human Resources Director.

C. **Third Level.** For major grievances only, if deemed appropriate by either the employee or the City Manager, a fact finding committee shall be convened. Such committee shall be made up of a member of the City Manager's staff, an appropriate labor unit member (not from the appellant's own unit) and a third member selected by the two (2) original committee members from a panel of five (5) management employees selected by the Management Association. They shall make findings and recommendations to the City Manager prior to any further scheduled hearing and review. In the event there is a dissenting vote by a committee member, they may submit a minority report to the City Manager.

The City Manager shall review the findings and recommendations of the Department Head and of any fact finding committee and may then affirm, revoke or modify the action taken as, in his or her judgment, seems warranted. The City
Manager shall render a decision in writing to the employee within fifteen (15) calendar days after receiving the appeal, provided that the fifteen (15)-day limit shall be extended to provide the City Manager with a minimum of five (5) working days after his receipt of the report of the fact finding committee to consider its report and render their decision.

D. **Fourth Level of Review.** The Personnel Board shall act as an appeal board for any appellant making an appeal to said Board on a major grievance.

14.6 **Appeal Procedure To The Personnel Board**

A. **Right to Appeal.** Any Employee in the competitive service or their representative shall, within ten (10) calendar days after receipt of written notice of City Manager's decision, have the right to appeal to the Personnel Board any major grievance, except in instances where the right of appeal is specifically prohibited by the personnel ordinance or this Memorandum of Understanding.

B. **Method of Appeal.** Appeals shall be in writing, signed by the appellant, and filed with the Human Resources Director. The appeal shall be a written statement, addressed to the Personnel Board, explaining the matter appealed from and setting forth therein a statement of the action desired by the appellant, with reasons therefore, in sufficient detail to enable the Board to understand the nature of the request. The formality of a legal pleading is not required.

C. **Hearing Date.** Unless a later date is agreed to between the Chair of the Personnel Board and the employee, the matter shall be scheduled for hearing at the next available regular meeting of the Personnel Board at least fifteen (15) days after receipt of the notice of appeal.

D. **Documentation.** The appellant or appellant's representative may submit relevant documentation or written statement for Board consideration up to three (3) working days prior to the hearing.

The Human Resources Director shall forward the material received to members of the Personnel Board, the department, the employee, and any representative of the employee at least two (2) working days before the hearing.

E. **Hearing.** In order to be heard, the appellant shall appear personally unless physically unable to do so, before the Personnel Board at the time and place of the hearing. The hearing shall be closed unless the appellant requests an open hearing. The hearing may be held whether or not the appellant is present.

The appellant shall present the case first and, at the conclusion, opposition matter may then be presented. Rebuttal matter, not repetitive, may be allowed at the discretion of the Board. Cross examination of the witnesses shall be permitted. The conduct and decorum of the hearing shall be under the control of the Chair of
the Board, with due regard to the rights and privileges of the parties appearing before it. The hearing need not be conducted according to technical rules relating to evidence and witnesses.

Hearings may be continued at the discretion of the Board.

F. Findings and Conclusions. The Personnel Board shall render written findings and recommendations and final decisions concerning the appeal within ten (10) days after the matter is submitted. The decision of the Personnel Board shall be final and conclusive unless determined otherwise by a court of competent jurisdiction.

An employee may also write a rebuttal, and that document will be placed in their personnel file.

15.4 Removal of Documents from Personnel File

Only records related to Internal Affairs Investigations resulting in a “sustained” finding will be kept in an employee’s Personnel File. Records related to Internal Investigations resulting in “Not Sustained”, “Exonerated”, or “Unfounded” findings shall not be placed in the employee’s Personnel File, but will be separately maintained for the appropriate retention period in the employee’s Internal Affairs File.

After a five (5) year period, if there has not been subsequent discipline, the City shall remove from the employee’s Internal Affairs File, any written record of an Internal Affairs Investigation resulting in “Exonerated” or “Unfounded” findings. The City shall notify the employee when the record has been removed.

Article 16 - Layoff Rights

16.1 Layoff Defined

Whenever, in the judgment of the City Council, it becomes necessary to abolish a position(s), including the reduction of work hours over twenty percent (20%) per year, the employee(s) displaced shall be deemed to be laid off (employees may accept an hour's reduction in excess of twenty percent (20%) without exercising their layoff rights). The rights of employees affected by the abolishment of positions by the City Council shall be hereafter set forth in this Section.

16.2 Seniority.

Seniority for purposes of layoff need not be continuous and shall include total accumulated length of service under the following types of appointment:

A. Emergency appointment under SMMC 2.57.60(h) or previous SMMC Section 2.57.020 (11).

B. Regular appointment under SMMC 2.57.080.

C. Provisional appointment under SMMC 2.57.070(d).

D. Appointment as City Manager's assistants under SMMC 2.57.060(a) from a position in the classified service.

E. Appointment as a Department Head under SMMC 2.57.060(d) from a position in the classified service.

In the case of ties, seniority shall be determined on the basis of greater hire date seniority, then by random number if necessary.

16.3 Seniority for Layoff Purposes
A. The least senior employee in the classification from which the position is abolished is to be first laid off. Prior to layoff of regular employees, temporary and/or provisional employees in the same classification will be laid off first. For purposes of initial layoff, seniority means time in the classification in question. Flexibly staffed positions will be considered a single classification for layoff purposes.

B. For the purposes of Section 17.3 (Bumping Rights) seniority is defined as seniority within the classification and seniority in a directly related higher classification, i.e., a classification that is within the promotional line and has a higher salary.

16.4 Bumping Rights

Employees laid off may elect to be reassigned to a formerly held classification in any Unit held by an employee with less seniority as defined in 16.1, provided the following conditions are met:

A. The formerly held classification exists and has positions allocated and budgeted. Formerly held position includes successor classification if determined by the City to exist. A successor classification exists where the Personnel Board has changed the title of a position or included new duties in the same titled classification, provided that a competitive test was not thereafter given for the retitled or re-dutied classification.

B. The employee has the ability to perform the essential functions of the formerly held classification. Qualifications may be tested by the City, as described in the current job description.

C. If employees have more than one (1) formerly held City classification, they shall bump to the classification most recently held; the employee may bump into another formerly held classification if no position is available in the "most recently held" classification.

16.5 Mutually Agreed Upon Transfer

The City and an employee who has been laid off or bumped may agree to an appointment to a classification that has a vacant position without the need for competitive testing. The following conditions shall apply:

A. The City may test the ability of the employee for the position prior to City's decision on whether it will mutually agree to the transfer;

B. The appointment shall be subordinate to the bumping rights of other employees and may not be used to prevent another employee from having access to the vacant position if permitted by the bumping provisions.

16.6 Severance Package
In the event there is not a less senior, formerly held position for the employee to access through layoff or bumping, the employee will be provided a severance package equal to two (2) weeks’ pay for each complete year of service, to a maximum of six (6) months’ pay.

This severance package shall be in addition to any other buyouts and/or severance payments to which the employee is entitled under their MOU.

In addition to providing severance as described in Section 16.5, the City shall make arrangements to provide employees laid off with job search assistance for forty-five (45) days following the effective date of layoff. Job search assistance shall include job and career counseling, resume preparation, and job search assistance at City expense.

16.7 Salary in Event of Change Due to Layoff

An employee's rate of compensation in the event of position change resulting from layoff shall be the salary step in the classification to which the employee is laid off which is closest to the base salary received immediately prior to layoff.

16.8 Notice of Layoff

The City will notice the employee to be laid off and the employees who will be impacted by bumping by registered mail or hand delivery. Affected employee organizations shall be noticed concurrently by registered mail. The notice shall be sent to the mailing address as shown on the employee’s last paycheck unless a more recent address has been provided to Human Resources by the employee. After notice to the employee and employee organizations, the names of employees to whom layoff notices have been sent will be posted at the Human Resources Department in City Hall. The notice shall state the layoff action to be taken, the options available to the employee, reemployment rights, and layoff procedures. Employees shall have ten (10) calendar days to inform the Human Resources Department in writing of the decisions on options stated in the notice. In the event employees fail to state their decision, the City shall select an option and City’s decision shall not be subject to appeal. City shall select an option that retains employment with the City if such option exists. The failure to receive notice shall not be grounds to set aside actions taken.

16.9 Effective Date of Layoff

A layoff shall be effective thirty (30) calendar days after notice is mailed to the employee, unless a later effective date is stated in the notice. An appeal shall not modify the effective date, provided, however, that where an appeal is successful and the layoff is nullified the employee shall be provided salary and benefits as if there was not a layoff.

16.10 Appeal

An employee may not appeal the decision to layoff their position, but may appeal the order
of layoff, the bumping provisions (except the test or results of a test of qualifications), and the seniority computation by filing a written appeal with the Human Resources Department stating the basis of the appeal. An appeal must be filed within fourteen (14) calendar days of mailing of notice. The appeal shall be heard by the City Manager or their designee within ten (10) calendar days of filing the appeal. A decision will be rendered within ten (10) calendar days of the hearing. Notice will be given by first class mail to the employee and to their Unit. A further appeal to the Personnel Board may be filed within five (5) calendar days of mailing by filing a written appeal with the Human Resources Department stating the basis for the appeal. The hearing will be held within ten (10) calendar days of the filing of the appeal or as soon thereafter as a quorum of the Board may be gathered and a decision rendered within five (5) calendar days of the hearing.

Article 17 - Recall and Reinstatement

17.1 Eligibility

The effective date of layoff or bumping shall be the employee's last day of work in the classification from which the employee is laid off or bumped.

17.2 Order of Recall and Reinstatement

When a vacancy occurs in a job classification, laid off or bumped employees eligible to return to that job classification shall be recalled in the inverse order of bump or layoff. Permanent employees who were laid off or bumped are eligible to return to the job classification in which permanent status was held. Employees reinstated under this Section shall not be subject to a new probationary period. Probationary employees who did not have permanent status at the time of layoff shall be required to serve the remainder of any probationary period upon recall.

17.3 Notice

When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/bumped employee. To expedite recall, more than one employee may be notified of an opening.

17.7 Contact Information for Notice

It is the responsibility of the employee who has been laid off to keep the City informed of their address and telephone number. The City has no responsibility to attempt to trace an employee if notice of reinstatement is not delivered by the Post Office.

17.8 Meet and Confer

Upon request, the City shall meet and confer with affected employee organizations on the impact of any layoffs occurring pursuant to this policy. Furthermore, the City will notify employee organizations of possible layoffs as soon as is reasonably possible, and afford the organization(s) the opportunity to provide options/alternatives to layoffs for consideration by the City Council prior to the Council reaching a final decision.

Article 18 - Number Of Names To Be Certified on Reemployment

When a reinstatement list is used to fill a vacancy or vacancies, the Human Resources Director shall certify from the top of such list the number of names equal to the number of vacancies to be filled. The appointing authority shall then appoint such person or persons to fill the vacancies.

Classified employees who are laid off or demoted in lieu of layoff and who are still interested in reinstatement on the expiration of the reinstatement list, shall be entitled to be reinstated to his or her former classification for a period of one (1) year provided there is a vacancy, all reinstatement lists have been exhausted, and they have the highest layoff seniority. Employees reinstated under this Section shall not be subject to a new probationary period and shall receive credit for former employment in computing salary, vacation, sick leave and other benefits.

Article 19 - Reemployment

The Police Chief may terminate this program at any time after providing written notice of schedule change to the Police Officers’ Association and meeting and conferring about the impact of this decision. Both the City and the Police Officers’ Association recognize that unpredictable events, such as illness and terminations can affect scheduling, and that the longer in advance a schedule is posted, the greater the chance that a change in schedule may occur.
