

# NEIGHBORHOOD TRAFFIC FORUMS

**FORUM #3**  
**FEBRUARY 11, 2016**

# TONIGHT'S AGENDA

1. Welcome & Introductions
2. Overview
3. Breakout Session
4. Tables Report Out
5. Next Steps

# QUALITY OF LIFE

# CHALLENGES

- Neighborhood agreement to solutions
- Issues beyond our control - regional & state
- Meets the needs of entire San Mateo community
- Timeliness of response - Regulatory requirements
- Expensive solutions

# CURRENT NEIGHBORHOOD EFFORTS

- Installing a median on Poplar between US-101 and Idaho
- Installing traffic calming improvements on N. Humboldt between Peninsula and Poplar
- Ongoing speeding enforcement of:
  - Poplar, San Mateo, Amphlett, Idaho, Grant
- Evaluating traffic calming and green features on N. San Mateo
- Safe Routes to School improvements at College Park Elementary
- Peninsula Ave Interchange Study

# BREAK-OUT SESSION

1. Comments by table
2. Facilitators will:
  - a. Solicit comments from each person
  - b. List all issues on flip chart
3. Participants will:
  - a. Share specific traffic interests
  - b. Note area of interests on map
  - c. One speaker at a time
  - d. Be respectful and courteous
  - e. Share the airtime
  - f. All comments/suggestions are valid
  - g. Identify top 3 concerns of group
4. Transition to neighborhood plan discussion

# FURTHER DEVELOPING NEIGHBORHOOD PLANS

1. Identify preferred process for next step – ongoing communication

Suggestions –

- Use HOA
- Steering Committee with selected members
- Formal City process (through the Public Works Commission, similar process like stop signs)
- Others???

2. Tables report back

# STAY CONNECTED

- [www.cityofsanmateo.org/traffic](http://www.cityofsanmateo.org/traffic)
- Sign in sheets at entrance

### Neighborhood Traffic Forums

Through the end of May 2016, Public Works will be holding a series of bi-weekly public forums to gather feedback and suggestions from the community regarding traffic concerns throughout the City.

Below is a map of the ten neighborhood areas Public Works plans to hold meetings. Click on any colored area to get details:
