

**Recreation Facilities Strategic Plan Summary Report**  
**Appendix 5**

**Alternatives: For-Profit and Non-Profit Recreation Facilities**

Below is a summary of each of the larger for-profit and non-profit facilities in the region that provide multiple activities and with facilities that are similar to what may be included in a community center. These include one for-profit “modern country club” (Bay Club- Redwood Shores), three non-profits (Peninsula Jewish Community Center, Peninsula Family YMCA and Mid-Peninsula Boys and Girls Club) and one educational institution (College of San Mateo).

Following that is a listing (with location) of all private and non-profit fitness, gymnastics, arts, dance and other recreational facilities within the San Mateo city limits that could be identified.

***Larger Facilities in San Mateo and Adjacent Communities***

***Bay Club- Redwood Shores***

The Bay Club- Redwood Shores is owned by the Bay Club Company, a chain which owns/operates 24 “modern country clubs” throughout California. It describes itself as “your everyday resort”. They offer three tiers of membership, but do not publish their fees.

The facility sits on a 10 acre site. Indoor facilities include a 15,000-square-foot fitness center, 5 squash courts, a gymnasium, and group exercise rooms (for spinning, yoga, pilates, aerobics, etc.). Other services include personal training and physical therapy. It also includes retail, sanctuary spa and bar/lounge- all of which are open to members and the non-member public.

Outdoor facilities include two lap pools, two recreational pools, including Splash Landing water park, and four tennis courts. The Splash Landing water park is outdoor, is heated to 83° and is operated primarily: daily Memorial Day through Labor Day, and weekends through October, weather permitting. It includes a three-story water slide, a splash area with bubblers, floor geysers and spray features, zero-depth entry, small slide and climbing platform, spray cannons and dumping buckets. Aquatics programming also includes lessons, water exercise and competitive swim teams.

***San Mateo Athletic Club- College of San Mateo***

Provides fitness and aquatics programs. Facilities are shared between students and community members, who use them on a membership basis. Fitness facilities include 19,500 square feet of space with a wide variety of equipment, and space for group exercise, Yoga and Pilates. Personal trainers are also available. Aquatics Facilities include a 50 meter pool and a 25 yard 6 lane pool. Programs include Lap Swim, Masters Swim Team, Water Exercise and Swim Lessons. They do not publish their fees.

### ***Peninsula Jewish Community Center (PJCC)- Foster City***

The PJCC facility and program are characteristic of the Lifestyle Center concept. It is a non-profit operation, and their mission statement states:

“The mission of the Peninsula Jewish Community Center (PJCC) is to build a caring and connected community, develop leadership, and strengthen Jewish identity and values in a center with an environment that is welcoming to all people at every stage of life. The PJCC serves all of San Mateo County through programming and educational initiatives that emphasize holistic wellness of mind, body, spirit, and environment.

The PJCC’s overarching goals are to promote wellness, prevent isolation, build knowledge and community bonds, and help one another to improve the world. To ensure the PJCC positively impacts the communities it serves, it offers a range of services: healthy eating classes; social programs for seniors; a community gardening program for the Center and public school students; a strong cultural arts program, and much more. The PJCC embraces the diversity of culture, opinion, religion, and identity in our wider community, serving as a center for wellness, the community, families, and for Jewish life and culture.”

The facilities include the 50,000 square foot Byers Athletic Center, which includes a gymnasium; fitness center with strength training and cardiovascular equipment; and aquatic center with indoor and outdoor pools, a kiddie pool and whirlpool. Fitness and recreational programs include self-directed equipment use, group exercise classes, physical therapy, personal training, massage, sauna and sports leagues. Aquatics programming includes swim lessons, aquatic fitness, lap swimming, masters swim team, youth swim team and recreation swim. Child care services are also provided.

Other facilities, in addition to the 50,000 square foot Byers Athletic Center, house other programs such as preschool, summer and school break camps, and a variety of special interest courses and activities.

They do not publish their fees.

### ***Peninsula Family YMCA- San Mateo***

YMCA is a membership organization. Their facility is geared toward active living-fitness/wellness and sports activities, though they also sponsor many programs that are more broadly recreational, educational, or service oriented. Their statement of purpose includes:

“A YMCA membership gives you so much more than just access to our facility. With a focus on youth development, improving individual health and well-being, and supporting our community, your participation will bring about a meaningful change not just within yourself, but within our community as well. The Peninsula Family YMCA (a branch of the YMCA of San Francisco) builds strong kids, strong families and strong communities by enriching the lives of all people in mind, spirit, and body.”

The San Mateo facility includes the following- a gymnasium, a fitness center with cardio, strength and weight equipment, a pilates studio, mind/body studio, and a seven lane indoor swimming pool that supports lap swimming, water exercise, lessons, recreation swim, and competitive swim.

Fees include the following- Program Membership: a \$50 individual or \$75 family annual membership allows access to specified programs for an additional a la carte fee. Facility Membership: there is a wide variety of membership fees based upon single vs. family, by age, whether access is provided to the Peninsula YMCA only, or other clubs, etc. For comparison sake a Family Household membership (2 adults + dependents ages 18 and under) is: \$149 to join and \$128/month.

### ***Mid-Peninsula Boys and Girls Club (MPBGC)***

The MPBGC is a membership organization for children, and operates its facility in the North Shoreview neighborhood of San Mateo. The membership fee is \$50/year. There are additional fees for summer, winter and spring break camps. Their mission statement:

“Our mission is to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens. We seek to provide our members with:

- A safe place to learn and grow
- Ongoing relationships with caring, adult professionals
- Life-enhancing programs and character development experiences
- Hope and opportunity”

In addition, they state that their “club programs are based on four key attributes that are critical in making a positive impact on the life of a child: a dedicated youth facility, open when kids need us, professional staff, and affordability for all youth”. They provide their members with “a wide array of educational, recreational and social activities in a safe and structured environment during after-school hours”.

MPBGC primarily operates as an enriched after-school child care site. They transport children to their site after school, and provide a program that includes homework time, and recreational and educational activities. They provide extended care during school breaks, and camps during the summer. In addition, the MPBGC offers one-on-one tutoring, teen programs, sports leagues special events and speakers.

**All Identified Non-Profit and Private Recreational Facilities in City of San Mateo:**

**Fitness Clubs**
