

SUNSHARES

Simple. Affordable. Together.

Limited Offer + Group Buying = Discounted Solar & Electric Vehicles!

The SunShares Program is back again this year for a limited time!

Are you interested in going solar or buying an electric vehicle, but don't know where to start?

Come to this free workshop and learn how solar works and how the financials of renewable energy benefit YOU!

SunShares is a limited-time renewable energy program that makes it easier and more affordable for Bay Area residents to go solar or purchase/lease an electric vehicle. The program offers competitive pricing and makes going solar and purchasing zero emissions vehicles easier and more affordable than ever for local residents.

Solar, EV dealers and home energy experts will be on hand to discuss their products and answer any questions you may have about going solar, financing options or buying/leasing an electric vehicle. This workshop is co-hosted by the City of San Mateo, Burlingame, Redwood City and San Carlos.
