

The City of San Mateo is proud that “Mobile Recreation” is out and rolling around the City of San Mateo. There is plenty of magic inside our Mobile Recreation Van that will assist our talented staff in helping to facilitate a fun experience for children & adults of all ages.

We are in the process of reaching out to the San Mateo community and building our schedule!
Have ideas for activities or places you would like to see us visit? We want to know!

Below you will find the current Mobile Recreation schedule. For more information about Mobile Recreation please call/email City of San Mateo Parks Reservation Office at (650)522-7430 or email at dhibson@cityofsanmateo.org
