

**Protecting Your Portfolio
in a Volatile Market
January 15
6:30 PM, Oak Room**

Risk management is now more important than ever.

Professional investors typically perform better than the average investor. During this workshop discover strategies used by proficient investors to manage risk while also maximizing returns on investments.

Registration Required:

<https://bit.ly/2rJM80Y> (case specific)

Workshop presented by **John Lau**, a Certified Financial Planner™ and CPA with a M.S. in taxation and **Matthew Lau**, Certified Financial Planner™ and Director of LFS Express.
