

The City of San Mateo Public Works Department Invites You to ...

High Speed Rail Community Workshop

Saturday, July 31, 2010

10am-Noon

Martin Luther King Community Center

725 Monte Diablo Avenue

San Mateo, CA 94401

High Speed Rail is a new train system that will connect Northern to Southern California. This High Speed Rail workshop is an opportunity for families who were unable to attend past weekday workshops to gather with your community to review ways in which High Speed Rail may be built in the City of San Mateo. You can learn the latest news, obtain answers to your questions and offer your thoughts with City staff, public officials and other interested community members.

Help shape the future of High Speed Rail in San Mateo!
