

Promote Nutritious Foods in Our Community

Join Second Harvest's Health Ambassador Program

Rewards:

- Share your passion for nutritious food, cooking and community building in a fun and engaging environment.
- Learn valuable career skills in uplifting communities through nourishing food.
- Share basic nutrition knowledge and food safety practices with our clients through easy-to-follow recipes, cooking demonstrations and presentations.
- Gain hands-on experience with Second Harvest Nutrition Education Managers.
- Receive a Food Handler's Permit upon completion of an online food safety course.
- Volunteer with Second Harvest's Community Nutrition Department, one of the most robust and innovative food bank nutrition education programs in the country.

Requirements:

- Ability to volunteer with flexible shifts, Monday- Friday 8am-5pm. Some weekends.
- Commit to a minimum of 3 months.
- Attend one-time training at Second Harvest.
- Complete an online food safety training.
- Travel to multiple food distribution locations in Santa Clara County or San Mateo County.
- Comfortable with speaking to diverse groups about food and nutrition topics.
- 17+ years old preferred.
- Bilingual in another language a plus (Spanish, Vietnamese, Chinese, Russian or Tagalog).
