

2020 Climate Action Plan

San Mateo City Council
April 6, 2020

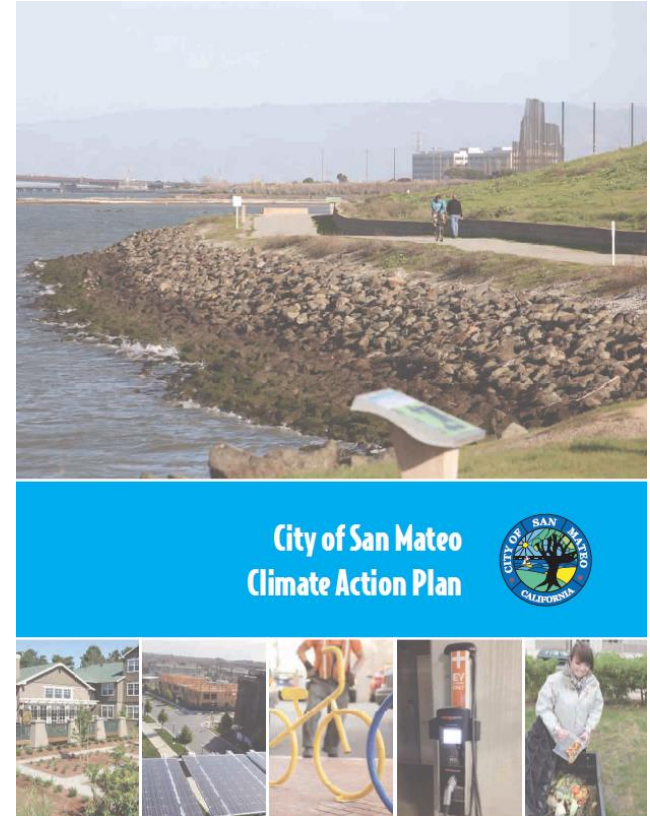

Meeting Objective

- » Review 2020 Climate Action Plan, General Plan Amendments, and Addendum to the General Plan EIR.

2015 Climate Action Plan

- » Established a comprehensive strategy to reduce GHGs.
- » Identified GHG reduction measures and implementation strategies to achieve GHG reduction target.
- » Why update the 2015 CAP?
 - State targets changed since 2015.
 - Opportunity to build on City's CAP implementation successes and integrate with General Plan update.

CAP Update Process

2020 CAP Updates

- » Climate change science
- » GHG inventory and forecast
- » Reduction targets
- » Existing and planned activities
- » GHG reduction measures
- » Work program
- » CAP Consistency Checklist

General Plan Amendments and EIR Addendum

- » Minor changes to Circulation, Housing, and Land Use elements.
- » Updated Addendum to 2030 General Plan EIR.
 - Finding of no new impacts or increased severity of existing impacts.

Recommendation

- » Adopt a resolution to approve the 2020 Climate Action Plan, the associated General Plan Amendments to the Land Use, Circulation, and Housing Elements, and the Addendum No. 2 to the General Plan Environmental Impact Report (EIR).
