Will any lunch or snacks be provided by the camp?
Camp Mateo will be providing a pre-packaged morning and afternoon snack. Please bring a paper bag lunch with your child’s name on it. We ask that participants not to share any food with each other.

Will camp provide sunscreen?
Camp will not provide sunscreen. Additionally, camp participants will have to apply their own sunscreen during programming. Staff will be sure to remind participants to apply sunscreen throughout the day.

I already enrolled into Camp Mateo weeks ago. Do I need to re-enroll into this camp?
Yes, all participants who were enrolled into Camp Mateo prior to COVID-19, which effected programming, will be un-enrolled from the original Camp Mateo, and have a credit put onto their account. For those who still wish to participate in the new upcoming modified Camp Mateo this summer, you will be given a pre-registration window of Wednesday, May 27 at 9am through Friday, May 29 at 5pm. Registration for the new Camp Mateo for this summer will open to the public on Monday, June 1 at 9am.

Is Camp Mateo a weekly camp, like before?
No, we have modified camp for this summer to be held in two separate sessions, instead of weeks. Dates for session 1 of camp will be Monday through Friday, beginning June 22 - July 17 (no camp will be held on July 3). Dates for session 2 of camp will be Monday through Friday, beginning July 20 - August 7.

How will I know about pick-up details and emergency form information?
An email will be sent out prior to the session start with the pick-up I.D. policy, drop-off/pick-up details, and emergency ePACT forms.

What will you be doing to ensure the safety of my child in camp this summer?
We will be adhering to the San Mateo County mandates. More information will be sent out prior to the start of camp.
