## Notice of Verizon Wireless Community Outreach and Informational Neighborhood Meeting

December 23, 2020

Dear Property Owner/Resident:

Modus LLC is an authorized representative of Verizon Wireless (“Verizon”). This notice is to inform you of a virtual informational community meeting that will be hosted by Modus on **Wednesday, January 13th from 6:30-8:30 PM**.

The purpose of the meeting is to discuss (2) Verizon Wireless projects to install a small cell wireless communication atop an existing metal streetlight pole in the public right-of-way in San Mateo adjacent to the following locations:

1. 5 W 37th Ave., San Mateo, CA
2. 1626 El Camino Real, San Mateo, CA

During the meeting, a presentation will be given to allow community members an opportunity to learn about Verizon’s network service in the City of San Mateo and learn about Verizon’s planned improvement.

This proposed small cell node is part of a greater network that will provide and enhance Verizon Wireless fifth generation (5G) wireless voice and data service to the surrounding area, improving wireless capabilities and public safety connectivity.

Verizon will also be hosting a Q&A section. A representative from Hammett & Edison Consulting Engineers will also be in attendance to discuss electromagnetic emissions and public health.

The agenda will consist of

- 6:30 – 7:30 PM Introductions and Information
- 7:30 – 8:30 PM Q&A

If you are unable to attend but have any questions or concerns, or would like to confirm your attendance, please send your concerns in writing in advance of the meeting to email [jwang@modusllc.com](mailto:jwang@modusllc.com)
