HINT: Link is case-sensitive

## Meeting Agenda:

- Bicycling Improvements
- Expectations of implementation
- Anticipated construction

The 2020 **San Mateo Bicycle Master Plan** was adopted by City Council on April 6, 2020 and serves as a blueprint for expanding and improving the San Mateo bicycle and mobility network in the coming years.

We are preparing to make the vision of the 2020 Bicycle Master Plan come to life with projects near you.

Starting in Summer/Fall 2021, we will begin to implement North Central Bike Lane Projects:

- Poplar Avenue Bike Lane - El Camino Real to Delaware Street
- Delaware Street Bike Lane - Indian Avenue to Poplar Avenue
- Indian Avenue Bike Boulevard - Delaware to Humboldt Street
- Humboldt Street Bike Lane - Peninsula Avenue to 5th Avenue

Join us for a virtual community meeting

May 27, 2021, 6 p.m.
