

## CITY OF SAN MATEO

# DISTRICT MAPPING EXERCISE

### THE RULES

- Create a single city council district or create a full five district plan.
- New districts should have a population of around 21,000.
- The largest district should be no more than 2,100 people greater than the smallest district.

### ABOUT THE BLOCKS

Each of these blocks is drawn within the City of San Mateo's existing neighborhoods.

The map uses data from the required US Census 2020 population data, including an adjustment of prison population, conforming to the Fair Maps Act.

Figures are rounded in order to make the mapping process easier for the public.

### ONCE COMPLETE

EMAIL A PHOTO of your completed map to:
