7. Environment (coastal, inland, urban/suburban): Suburban

8. Types of homes (single family houses, apartments, condos, mobile homes, etc): single family houses, apartments

9. What issues matter to your community? Please describe how the issues before the City Council have an impact on your community. Traffic, opening road through neighborhood,  
sewage tank

10. What else would you like to tell us about your community? Thankful sewage tank did  
NOT get installed in FG! I think SM look shabby. Streets,  
underpasses, parking lots, etc. Garbage, weeds, junk. Cities like  
Pacifica + Rocklin are beautiful.

# Your Community of Interest Form

The following information is optional and voluntary. You are not required to fill out all the questions below, but the more information you can provide, the better informed the process will be. If you provide contact information, we will send you updates on the process.

Name: Shelley Email: [REDACTED]

- What is the neighborhood/zipcode where you reside: 94401
- How do you describe your community? I have been in San Mateo for 3 years. I really enjoy this friendly and secure community. My neighbors are working hard and building the beautiful environment. I especially appreciate San Mateo Adult School which help me overcome the hard time.
- Explain the geographical location of your community. What are the physical boundaries/features (streets, freeways, parks, etc.)? Delaware street is a beautiful and organized place. My community is including Martin Luther King Park and close to 101.
- Are there public services (bus lines, libraries, public schools, fire stations etc.) that help identify your community? Yes. There are San Mateo High school, San Mateo Adult school and DMV can identify my community.
- Identify the major cultural/recreational/educational/religious institutions in your community: There is the diversified culture in my community.
- What languages are spoken in your community? What are the major race/ethnic groups in your community? I speak Chinese at home, but most neighbors speak Spanish, and the major group is from Mexico.
- Environment (coastal, inland, urban/suburban): urban
- Types of homes (single family houses, apartments, condos, mobile homes, etc): I am living in condos.
- What issues matter to your community? Please describe how the issues before the City Council have an impact on your community. I am the member of the green team, and I've attended City's cleaning up activities. I think many people haven't been aware of how compost and this is important, and how to do it correctly.
- What else would you like to tell us about your community? I would like to thank to City of San Mateo. You provide lots of opportunities for immigrants to get better jobs and Education

The following information is optional and voluntary. You are not required to fill out all the questions below, but the more information you can provide, the better informed the process will be. If you provide contact information, we will send you updates on the process.

Name: Jim Remington Email: \_\_\_\_\_

1. What is the neighborhood/zipcode where you reside: 94401

2. How do you describe your community? A mix of single family, apartments, condos, medical buildings, offices

3. Explain the geographical location of your community. What are the physical boundaries/features (streets, freeways, parks, etc.)? Railroad / Delaware, Peninsula Ave, Downtown SM, El Camino

4. Are there public services (bus lines, libraries, public schools, fire stations etc.) that help identify your community? 3rd Ave. Library, Central Park, SM High School

5. Identify the major cultural/recreational/educational/religious institutions in your community:

Central Park, sm High School

6. What languages are spoken in your community? What are the major race/ethnic groups in your community? English, Spanish

7. Environment (coastal, inland, urban/suburban): suburban

8. Types of homes (single family houses, apartments, condos, mobile homes, etc): Apartments + Single family

9. What issues matter to your community? Please describe how the issues before the City Council have an impact on your community. Too much building! The state says build, build, build, so fight it. Stop destroying our community by packing more people and cars into a small space. The city council does not listen or respond to this.

10. What else would you like to tell us about your community? San Mateo is going to hell because the city council keeps allowing more apartments + condos!
