

Club 90

Club 90 is a high-energy, choreographed dance party show. What began as a 90's cover band, featuring the pop hits of a musical decade that has quickly become the top choice for audiences of all ages, has evolved into so much more! The band has recently expanded their repertoire to include dance hits from big band to the 70's, 80's and even the contemporary pop tunes of today, including artists like Katy Perry, Lady Gaga, Usher, Rihanna and more! Club 90 consists of nine accomplished performers, including four vocalists, keyboards, bass, guitar, drums and DJ to keep the party rockin' non-stop!
