Rebuttal to the Argument Against Measure T

You know what is really *misleading*? The false claims in the argument against Measure T.

Please review the facts for yourself:

FACT: Measure T wasn't designed by developers – the San Mateo City Council unanimously placed it on the ballot after considering input from thousands of San Mateans from every neighborhood. Our grassroots campaign enjoys broad support reflecting the diversity of our wonderful city. Our coalition includes residents and leaders from both sides of past elections like Measure Y plus small business owners, firefighters, and community leaders.

FACT: San Mateo is an expensive place to live. Measure T helps ensure that working families, first responders, veterans, seniors, and those on fixed incomes aren't forced to move away.

FACT: Measure T will not increase taxes. An independent study found more housing will generate millions of additional dollars annually to support vital City services our residents expect.

FACT: California state law requires that The City of San Mateo plan for thousands of new homes. Measure T allows homes in specific areas identified by residents as most suitable for growth – specifically along El Camino Real and other transit-oriented neighborhoods.

FACT: Concentrating San Mateo's growth will help fight greenhouse gas emissions by locating more housing in walking distance to jobs, restaurants and shops. Without Measure T, San Mateo will need to increase housing density in residential neighborhoods elsewhere in the City to meet the State's housing requirements.

FACT: Measure T creates jobs and supports small businesses. This is why the San Mateo Area Chamber of Commerce and Downtown San Mateo Association support Measure T.

Join us and Vote YES on Measure T for smart, sensible planning – without increasing taxes!
