CEQA requires the Notice of Intent to disclose whether the site on which a proposed project is located is included on any of the lists enumerated under Section 65962.5 of the Government Code, regarding hazardous waste facilities, land designated as hazardous waste property, or hazardous waste disposal sites, and the subject property is not included on any such lists.

PROJECT LOCATION: The approximately 1.16-acre project site is comprised of six parcels and is bound by East 4th Avenue to the northwest, South Railroad Avenue to the northeast, South B Street to the southwest, and East 5th Avenue to the southeast.
