INDEPENDENT ACCOUNTANTS' REPORT

To the Honorable Mayor and Members of the City Council
of the City of San Mateo
San Mateo, California

We have examined management of the City of San Mateo's (the "City") assertion, included in the accompanying Management's Report on Compliance with the *Agreement for Distribution of San Mateo County Measure W Funds for Local Transportation Purposes* (Agreement) between the City and the San Mateo County Transportation Authority (Authority) entered into on October 17, 2019, that the City complied with the requirements of the Agreement during the year ended June 30, 2024. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, management's assertion that the City complied with the aforementioned requirements for the year ended June 30, 2024, is fairly stated, in all material respects.

This report is intended solely for the information and use of the members of the Authority, City Council, and management and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.
