

NOTICE OF CONTRACT AWARD

An improvement project near you is expected to start work in late summer/early fall 2024.

The **SR82/SR92 Interchange Landscape Project City Project No. 460037** was approved by San Mateo City Council on August 19, 2024, awarding the construction contract to Marina Landscape, Inc. You can expect to receive scheduling details from the contractor soon.

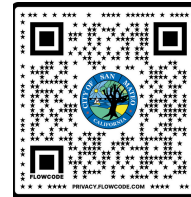

PROJECT DETAILS

The Project's scope of work will include clearing and grubbing, light grading and contouring, ground cover and tree planting, and irrigation system improvements. Additionally, landscaping will be implemented along the sound wall in the northeast portion of the cloverleaf, which faces the Hayward Park neighborhood.

NOTICE OF CONTRACT AWARD

An improvement project near you is expected to start work in late summer/early Fall 2024.
See the reverse of this card for details.

The City of San Mateo Public Works Department ensures your infrastructure is efficient and sustainable for generations to come.

Below are just some of the types of projects Public Works prioritizes:

ROAD IMPROVEMENT

The maintenance and repair of our city's network of roads improves the quality of life for our residents and their visitors. These projects can be pavement reconstruction, slurry seal or roadway rebuilding.

TRAFFIC FLOW IMPROVEMENT

Traffic flow is an essential element to safety in our communities. These projects can include dedicated turn lanes, intersection redesign, speed bumps installation or a new traffic signal.

ACCESSIBILITY FOR ALL

The accessibility of our neighborhoods for all improves the health of our city for every citizen. These projects can include new or enhanced bike paths, sidewalks redesign, park trails and crosswalk improvements.

STORMWATER MANAGEMENT

To decrease polluted stormwater flows into the San Francisco Bay, we work on flood zone improvements and Green Infrastructure design to ensure a healthy environment for all.
