San Mateo Police Holding DUI Checkpoint Friday, September 19, 2025

San Mateo, CA – On Friday, September 19, 2025, the San Mateo Police Department will conduct a driving under the influence (DUI) Checkpoint from 6:00 p.m. to 2:00 a.m. in the area of E. Hillsdale Blvd. and Saratoga Dr.

DUI checkpoint locations are determined based on data showing incidents of impaired driving-related crashes. The primary purpose of DUI checkpoints is to promote public safety by taking suspected impaired drivers off the road. Nationally more than 10,000 people a year are killed by drunk drivers.

“It is imperative we continue to drive home the message that Impaired driving puts others on the road at significant risk,” Traffic Sergeant Nick Ryan said. “Any prevention measures that reduce the number of impaired drivers on our roads significantly improves traffic safety for everyone.”

The San Mateo Police Department reminds the public that impaired driving is not just from alcohol. Some prescription medications and over-the-counter drugs may interfere with driving. While medicinal and recreational marijuana are legal, driving under the influence of marijuana is illegal.

Drivers charged with a first-time DUI face an average of \$13,500 in fines and penalties, as well as a suspended license.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
