WELCOME TO THE BLOCK

Your block is considered an official **Neighborhood Watch Block**. That means, the neighbors on your street look out for each other. The program is coordinated by a **Block Captain**. Your Block Captain distributes Neighborhood Watch information provided by the Police Department to all the residences on this block when necessary and organizes any neighborhood meetings. Neighborhood Watch is a Crime Prevention program which enlists the active participation of residents in cooperation with local police to prevent and reduce crime in San Mateo's neighborhoods.

Neighborhood Watch is residents not only knowing each other, but taking the time to care about each other and work together in a program of mutual assistance.

Neighborhood Watch is about crime prevention and education, and the implementation of important home and personal security strategies.

Community involvement is essential to combat crime. By cooperating with each other and the police, people can fight crime in their community in the most effective way - *before it begins*.

For more information about the Neighborhood Watch Program, call (650)522-7791 or email us at neighborhoodwatch@cityofsanmateo.org.
